

# ERN GENTURIS CPMS Newsletter

Issue 5 (May 2025)

Dear CPMS users,

In this newsletter, we will focus on where to find information on how to use the new CPMS. **The use of CPMS is very important to our ERN**, so hopefully, the information in this newsletter is useful to you and will **stimulate you to use the CPMS**.

## The use of CPMS - Number of panels in 2025: 12

Thematic group	Number of patients discussed in ERN GENTURIS CPMS meetings in 2025
TG1: Schwannomatosis and neurofibromatosis	3
TG2: Lynch syndrome and polyposis	2
TG3: Hereditary breast and ovarian cancer	1
TG4: Other rare – predominantly malignant – genturis	6

### Recurring CPMS meetings: When?

**ERN GENTURIS CPMS meetings on every first and third Friday of the month:**

**12:30 – 13:30 CEST TG1 meeting**

**13:30 – 14:30 CEST TG2-4 meeting**

An email containing information on the upcoming CPMS meeting is sent to all CPMS users on the Monday before each meeting around 16:00 CEST.

### Functional highlight: Indicating expertise in the CPMS

It is very important to indicate your expertise in the CPMS so that clinicians who submit a patient case relevant to your expertise will be able to find you. To indicate your expertise in the ERN GENTURIS CPMS, please follow the steps in our [CPMS 2 guide on indicating your expertise](#).

### Help needed?

If you have any comments, suggestions, questions, or requests related to the CPMS, please do not hesitate to contact our CPMS helpdesk via
