

## Indicating your expertise in CPMS 2.0

To be invited to patient records relevant to your expertise, you need to indicate your expertise in the system. You can indicate your expertise in CPMS 2.0 by following these steps:

- Go to <https://cpms2.ern-net.eu/> and log in using your EU login credentials
- Click on your name in the top right of the banner and select “My Account” from the dropdown menu that appears:

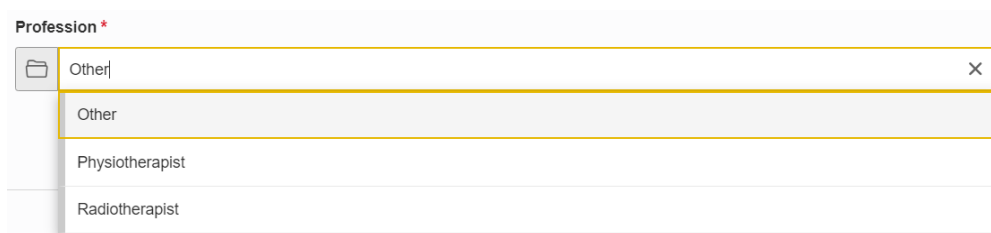

- Click “Edit information” on the right hand side of the page

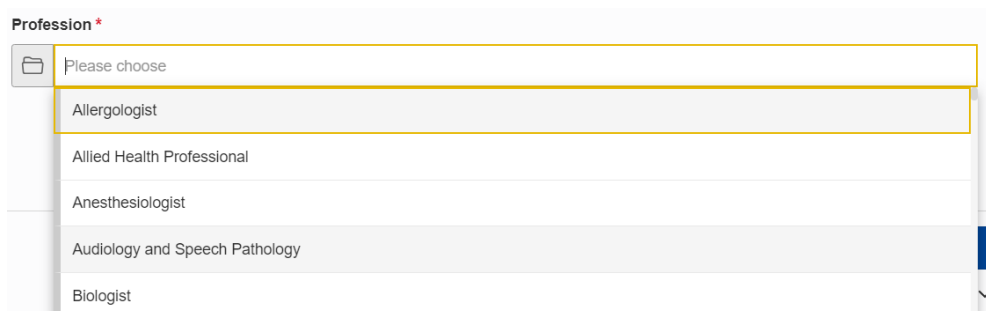

- Select your profession in the “Profession” field:  
**PLEASE NOTE: You have to remove the text from the field to see the entire list.**

Profession field with default entry “Other” only shows professions with ‘other’ in the name:

When the text is removed, you can see the entire list:

- Under “Cares for”, select “Adult”, “Pediatric” or both options:

**Clinical Focus** ?

---

**Cares for \***

Adult  Pediatric

This field is required

- Under “Thematic area”, select the ERN GENTURIS thematic groups that you have expertise in:

**PLEASE NOTE:**

- **Make sure you only select thematic areas included under “GENTURIS”!!!**
- **Please only indicate those thematic areas for which the expertise of your HCP is officially recognised. For an overview of the officially recognised expertise of all GENTURIS member HCPs, please check <https://www.genturis.eu/l=eng/our-experts/our-healthcare-providers.html>**
- **As shown in the screenshot below, it is currently not possible to add more than 3 thematic areas (this has been reported to the developer as you should be able to select all thematic areas in GENTURIS if your HCP officially has expertise in all thematic areas)**

- > EuroBloodNet
- > eUROGEN
- > EURO-NMD
- ▼ GENTURIS
  - Other - ERN GENTURIS
  - TG1: Neurofibromatosis
  - TG2: Lynch Syndrome and Polyposis
  - TG3: Hereditary Breast and Ovarian Cancer (HBOC)
  - TG4: Other rare – predominantly malignant - genturis

Thematics ▼

Please select a thematic area, maximum 3 values

- Indicate in which genturis syndromes you have specific expertise under “Subthematic areas” (this will only show the subthematic areas included in the thematic areas indicated in the previous step):

Select All

- ▼ TG1: Neurofibromatosis
  - 1.1 Neurofibromatosis type 1 (NF1)
  - 1.2 Neurofibromatosis type 2 (NF2)
  - 1.3 Schwannomatosis
  - 1.4 Unknown

Subthematics ▼

- Please insert any other relevant information regarding your expertise under “In your own words, what is your specific clinical or research focus, for which you feel competent to give expert advice?”:

In your own words, what is your specific clinical or research focus, for which you feel competent to give expert advice?

CPMS helpdesk manager

- Click “Save” at the bottom right of the page to confirm the changes.
